**MILLIYA ARTS, SCIENCE & MANAGEMENT SCIENCE COLLEGE,
BEED. 431122 (M.S.)**

PART A:

The plan of the action chalked out by the IQAC, in the beginning of the year towards the quality enhancement and sustenance, and outcome to be achieved by the end of the year:

At the beginning of the academic year 2005-06, as usual, the teachers started working accordingly to maintain the routine and develop the college further.

In the very beginning, the principal conducted the meeting with all the stakeholders of the institution. All the stake-holders were made aware of the plan chalked out by the IQAC. The principal advised all the components of the institution to adopt dynamic benchmarks for the quality enhancement and in various activities of the institution. The principal motivated all the stake-holders to try for optimum utilization of human resources and the infrastructure available, and also to concentrate on the personality development of the students as it was mentioned in the future plan of the AQAR 2004-2005.

The principal also motivated the faculty members to make moderate efforts for their academic and individual improvement.

PART B:

As stated in the part "A", during the academic year 2005-2006, all the stakeholders specially teachers have concentrated mostly on maintaining the usual and regular activities in the college and tried to take more efforts to develop the college more and more.

The principal, through the IQAC has reviewed the progress of various activities in the college, and discussed aspects of the college routine with the teachers.

EXAMINATION ACTIVITIES:

As already shown in the last year's AQAR, the Dr. B.A.M. University, conducts the annual examination at U.G. level, and semester system for B.C.A. and M.Sc. However, the college has kept on conducting tests and tutorials time to time for the sake of the continuous evaluation of the students.
