

Policy of Internal Assessment and Evaluation

The final examinations and the assessment of the answer books are conducted by the parent university.

For the sake of continuous internal evaluation of the student learners, the college has framed a policy. It is as follows:

The faculties are advised-

- To practice innovative and interactive teaching methodologies.
- To conduct Class Tests, Tutorials and Assignment.
- To encourage the student for undertaking voluntary projects.
- To encourage the senior students to teach the juniors.
- To organise field trips, excursion tours.
- To organise subject based Quizzes, Subject Knowledge Tests.
- To organise different literary events.
- To encourage and prepare the students for participating in the regional, state and national level events such as Poster Presentation, Subject Knowledge Tests, Essay Writing, Elocution, Debate, Power Point Presentation, Avishkar, etc.
- To encourage the students to showcase their creative ideas and thoughts by means of Wall Magazines and College Yearly Magazine.
- Specific activities in terms of the internal assessment of the students and their tentative schedules are to be reflected in the College Evaluation Calendar.

The IQAC is supposed to monitor and continuously review all these events and activities.
