

Students' Feedback on Teachers

Action Taken Report:

- The college has a very effective mechanism of Students' Feedback on Teachers.
- Every year, randomly, the students give their feedback on the teachers.
- The feedback is taken in the specific format and parameter which covers the different dimensions of the teachers.
- The college has formed a separate Feedback Analysis Committee. This committee is supposed to collect the feedback, make a proper analysis of them.
- Analyzed feedbacks are discussed with the IQAC; the issues are sorted out and the report is submitted to the Principal.
- The principal discusses the issues with the concerned teachers personally. The necessary advice or suggestions are given for the improvement.
- If needed the required initiatives are taken in terms of the improvement in the teaching methodologies.
- Then, the IQAC continuously reviews the improvements in the performance of the teachers.
