

Ref. No.

Date:

*Academic Year 2020-21*

### **Action Taken based on the Feedback Analysis**

The college obtained feedback on curriculum from the students, teachers, parents, and alumnae.

The feedback format contained five parameter: its relevance with the *local needs of the society; application to industries; producing employability; promotion of environmental awareness and its being the device of improvement of students' personality*'

The Administrators discussed the **Feed Analysis Report** with the **IQAC members**, the **CDC** and the **Heads** of the department.

There were discussions on the responses of the stakeholders on the different aspects of the curriculum.

The IQAC decided to take certain initiatives accordingly in the following academic year.

#### **It was decided-**

- ✓ To implement few **Skill Development Measures** so as to make the student employable at the industries and other workplaces.
- ✓ To implement few **Skill Development Measures** and **Certificate Courses** that can make the students employable.
- ✓ To encourage the NSS unit and other cells to plan and execute the specific measures related to the **Environment Awareness** and **Sustainability**.
- ✓ To plan and execute certain measures towards the personality development of the students.

Science College, Beed.

### Action taken Report on Feedback

- ✓ The college is affiliated to Dr. B. A. M. University, Aurangabad.
- ✓ The university designs the curriculum and it is followed by the college.
- ✓ The college has Feedback Committee which seeks the feedback various aspects of the institution from different stakeholders.
- ✓ The committee also seeks the feedback on the curriculum from students, teachers, parents, alumnae.
- ✓ The feedback are analysed and the detailed analysis report is submitted to the principal for further perusal.
- ✓ The suggestions of the stakeholders related to the curriculum are submitted to the University so that necessary and required dimensions may be added to the curriculum at the time of (re)designing of the syllabus.
- ✓ During the third cycle, on the basis of the feedback received from the stakeholders the college has introduced few Value Added and Skills Based Courses.
- ✓ During the third cycle, the college has run **16** Certificate Courses.
- ✓ Total **616** students have benefited from these courses.

**Sub: Suggestions on Syllabus in the subject of BOTANY**

Sir,

This is for your kind notice that we have obtained feedback on curriculum (2017-18) from teachers, students, parents and alumni. Their feedback has been analysed. The findings are as follows:

1. Few topics are found common in both the subjects **Botany** and **Zoology**. It should not have happened.
2. It is found that in B. Sc. I Year, practical paper, III (based on paper I and II) and VI, (based on paper IV and V) the distribution of marks is not found equal. It is suggested that the weightage of marks should be equal.
3. The curriculum should include the content which should create employability.

Sub: Regarding suggestions on Syllabus in the subject of Chemistry

Sir,

We kindly bring to your notice that we obtained feedback on curriculum (2017-18) from teachers, students, parents and alumni. We analysed feedback given by the stakeholders. Their suggestions were as follows.

In Semester I, III and V there is only one paper of Inorganic Chemistry where as in Semester II, IV and VI there are three papers. It is suggested that two papers should be include in Sem. I, III and IV and two papers in Semester II, IV and VI.

We kindly request you to consider the suggestions made by the stakeholders and please include it while reframing the syllabus of Chemistry.

Thank you.

**Sub: Suggestions related to the existing syllabus in the subject of English.**

Sir,

This is for your kind notice that we have obtained feedback on curriculum (2017-18) from teachers, students, parents and alumni. Their feedback has been analysed. The findings are as follows:

1. Few of the elements is Prose and even Poetry are very dry in nature. There must be an anthology of the stories or lessons which should much interesting. It is in terms of the syllabus of Second year.
2. There must be few elements based on soft skills and life skills.

You are requested to consider the above suggestions and manage to bring the necessary changes in the curriculum.

Thank you.

**Sub: Regarding suggestions on Syllabus in the subject of Microbiology**

Sir,

We kindly bring to your notice that we obtained feedback on curriculum (2017-18) from teachers, students, parents and alumni. We analysed feedback given by the stakeholders. Their suggestions were as follows.

1. In addition to classical practicals more industrially relevant experiments should be included.
2. In B. Sc. I Year practical paper (Paper No. III and VI), the questions based on Paper I and II and IV and V should have weightage of equal marks.

We kindly request you to consider the suggestions made by the stakeholders and please include it while reframing the syllabus of Microbiology.

Thank you.

**Sub: Suggestions on Syllabus in the subject of Physics**

Sir,

We kindly bring to your notice that we obtained feedback on curriculum (2017-18) from teachers, students, parents and alumni. We analysed feedback given by the stakeholders. Their suggestions were as follows.

1. The syllabus of second year has few terms and concept f quantum mechanics, as students does not aware about the quantum mechanics in second year, as is in third year, so some part of quantum mechanics is to be added in second year.
2. In syllabus of third year some part of material science is to include.

We kindly request you to consider the suggestions made by the stakeholders and please include it while reframing the syllabus of Physics.

Thank you.

**Sub: Regarding suggestions on Syllabus in the subject of Pol. Sci.**

Sir,

We kindly bring to your notice that we obtained feedback on curriculum (2017-18) from teachers, students, parents and alumni. We analysed feedback given by the stakeholders. Their suggestions were as follows.

The syllabus of B. A. S. Y. and T. Y. is very vast; each paper is having five chapters. It is suggested that there should be three chapters in each paper.

We kindly request you to consider the suggestions made by the stakeholders and please include it while reframing the syllabus of Pol. Sci.

Thank you.
