

One Day National Seminar On “E-Content and MOOC”

Organised by

IQAC

On

24th August 2019

Introduction:

Today's modern teaching-learning scenario is rapidly upgrading. Often traditional class room methods seem inadequate to address these up gradations. Although importance of classroom teaching cannot be denied or neglected, it falls short to address the students thirst for knowledge. Also traditional teaching framework does not allow the facilitator to expand beyond limits.

Modern resources like internet may be very well exploited to attain the above discussed shortcomings. Moreover it will also open up a sea of knowledge and information for the student without any limits. E Content can very well cater to the modern requirements and could be tailor made frequently as per the need.

MOOCs (Massive Open *Online Courses*) allow participants free access and unrestricted participation to any *course* of their choice, besides the conventional modes of teaching.

Objectives:

- To create awareness among faculty members and students about SWAYAM and its various initiatives.
- To encourage students to use SWAYAM/NPTEL courses.
- To discuss the issues related to the introduction of online courses through SWAYAM as part of the curriculum.

Organizing Committee:

Patron	Mrs. Khan Sabiha Begum (Secretary, AIT Beed)
Chairman	Dr. Mohammed Ilyas Fazil (Principal)
